

**2020-2021**

***Nurturing independent thinkers;  
Fostering a love of learning.***

**Monday thru Friday**

**Why Montessori?**

- Children learn by doing in a structured, yet social environment that encourages them to follow their interests.
- Specifically designed materials allow children to manipulate and “see” abstract concepts in a concrete form. This allows a much deeper understanding of concepts.
- Montessori Teachers foster an environment of respect and self-discipline where each child works towards mastery at his/her own pace.

*“My two children love going to school everyday. I only wish (they) would have gone here sooner. It is an amazing school that does not apply the one size fits all rule to education.”*
